Indian Knoll Elementary School

2020-2021

The kindergarten team collects a $35 supply donation for the school year. You may choose to pay $20 for the first semester and then $15.00 in January, or the whole $35. This donation also includes a class shirt that your child will wear to "house" meetings. This is a donation and your child will not be penalized if it is not paid. If you would like to provide a supply fee scholarship for a child in the class, please speak with your child's teacher. The supply fee insures that all supplies are equitable in the classroom. It covers the cost of art supplies and educational materials your child will need throughout the year. This will give parents one less thing on the "to-do" list. In addition to the supply fee, each teacher may have a list of materials needed to help ensure a fun and successful school year. We also request that each child bring a full sized backpack (without wheels) on the first day of school.

These items will be used in your child's class as well as in Art, PE, Music, and Technology.
