

My name is Kathie Monti, and I am honored to serve the Raider Nation this year as the Principal of Teasley Middle School. I am originally from North Carolina where I attended the University of North Carolina at Chapel Hill. My mom taught Kindergarten for 32 years and my father was the editor of a magazine for teachers. Education was the obvious career choice for me.

During my career in education, I have taught 6th, 7th, and 8th grade English Language Arts and Reading. At the school level, I served as a Department Chair, Team Leader, and on the SACSCASI accreditation committee. I was chosen as the Teacher of the Year for Marietta Middle School, Teacher of the Year for the Marietta City School System and a finalist for the Teacher of the Year for the state of Georgia.

After leaving the classroom, I worked for the Georgia Department of Education as the Teacher Advisor for the Race to the Top Grant helping to create policy that would positively impact student achievement. During this time period, I also worked as a trainer for the Teacher Keys Evaluation System.

I am proud to say that I found my way back to the school level and served the last 7 years as an Assistant Principal at E. T. Booth. When I am not at school, I love hiking, playing in the dirt, and pulling for my Tarheels!

I am excited to join the Raider Nation and to become a part of the Teasley Community. Please, do not hesitate to contact me by phone at 770-721-5420 or via email at
