Your Family. Your Community. Your School.

August 2020

Dear Parents and Students,

On behalf of the Bascomb Parent Teachers Association (PTA) welcome to the start of a new and exciting school year! The Bascomb PTA proudly serves as a bridge between home and school, helping to ensure that parents and teachers work together to best serve our children. **Our main goals are to promote the welfare and education of our children, raise the standards of their lives, and be their greatest advocate..**

Please support us! We are inviting you to help support our efforts by becoming a member of our wonderful PTA. Joining the PTA does not necessarily commit you to any volunteer time, it is just a great way to show your child that you care about the students and the educational experience at Bascomb elementary. With your membership, we will be able to ensure our children can grow in and out of the classroom. **In the past, we have been able to provide: New playground surface, shade for rear playground, new 6' fence and privacy screen, school enrichment programs, school assemblies, class field trips, fun family carnivals, playground equipment, classroom grants for teachers, laptops and laptop carts and much more.**

There are many ways to be involved in your child's school experience, all of which enhance the community here at Bascomb. We hope you will support our efforts and become a PTA member this year. We have a wonderful Executive Board, all of whom are ready and willing to welcome you, answer your questions, entertain comments and suggestions, and most of all get to know you better. Please go to: Bascombpta.memberhub.com You can also purchase spirit wear and help build team spirit and build pride in your child to be a Bascomb Bobcat.
