

Healthy Roster

Step-by-Step Directions for Parents

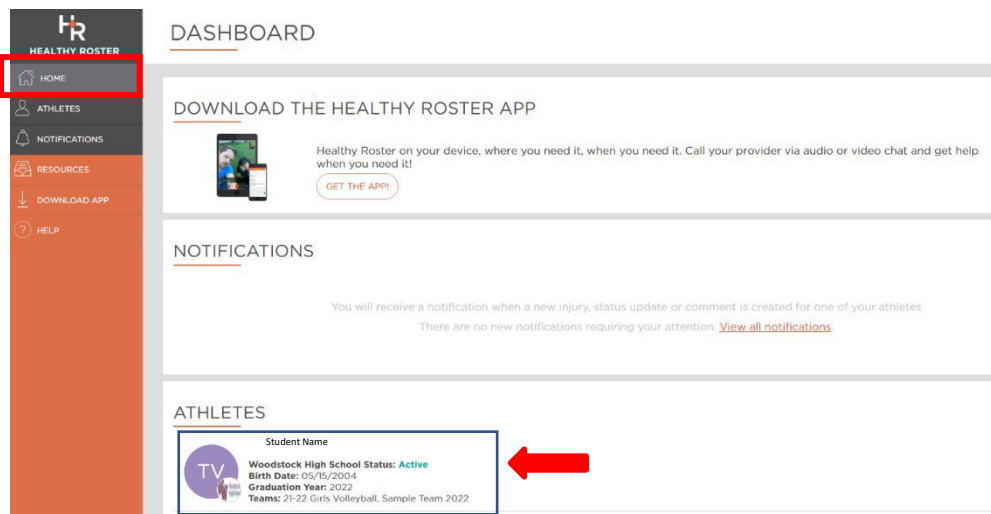

Parents/guardians must complete the **Cherokee County Athletic Consent** forms for their student to participate in CCSD athletics. Additionally, every athlete must have the GHSA Medical Clearance forms completed by their doctor on file in our Healthy Roster platform. Parents will find the step-by-step directions through the Healthy Roster website below. Parents may also download the Healthy Roster App, complete the consents and upload the medical forms from your cellphone.

Parents/guardians should make sure to have all documents ready during the initial upload as the program will not allow users to save documents and return to finish at a later time.
