Dear Parents/Guardians of Creekview's class of 2022!

Congratulations! I'm excited to begin working with the class of 2022 to ensure that all students are photographed and will appear in the yearbook. It is now time to schedule senior photos through CADY studios. You must have your yearbook senior portraits – both formal and casual – done through CADY; this is the only way you can be in the yearbook. Please note that we use both the formal and casual photos, and we expect you to take both when you are photographed.

There are several options for when and where you have your photos done. Based on my own personal experience, I strongly recommend scheduling your portraits this summer at one of CADY'S studio locations. There you can spend more time on each of the different scenes, bring your own props (we brought my son's dog!), and have fun!

Option 1: Please go to cady.com/schedule to schedule; or if you prefer to call, their customer experience team can be reached at 678-722-3449. I would like to encourage you to book now as appointments start to fill up, especially once the school year begins.

There are 4 Atlanta area studio locations; addresses are as follows:

JOHNS CREEK – 10700 State Bridge Road, Johns Creek, GA 30022

ACWORTH – 3979 S. Main Street, Acworth, GA 30101

DACULA - 1700 Winder Hwy., Dacula, GA 30019

ATLANTA - 2030 Powers Ferry Road, Suite 520, Atlanta, GA 30339

Option 2: CADY at CREEKVIEW – CADY will bring the studio to us for one day only on September 29, 2021. I strongly suggest that you do not wait until the last minute to take your photos, especially as appointments for CADY at CREEKVIEW will be limited. *Please keep in mind that the Creekview location will not open up for appointments until closer to school starting, which is why I recommend going to one of the studios over the summer.

As the new school year unfolds, we will send reminders about senior photos, yearbook ads, yearbook sales, and other important information. Yearbook sales/ad sales will begin on August 2, 2021, and it's never too early to start gathering photos! You may use any photos (that are school appropriate, of course) for senior ads; however, please understand that we are under contract with CADY and cannot use outside photography for formal and casual yearbook photos.

Sincerely,

Louise Graner, Auberon Adviser
