

May 13, 2022

Dear Parents/Guardians of Creekview's class of 2023!

Congratulations! I'm excited to begin working with the class of 2023 to ensure that all students are photographed and will appear in the yearbook. Please read this information in its entirety as it contains vital information about senior photos.

It is now time to schedule senior photos through CADY studios. Creekview High School requires that yearbook senior portraits – both formal and casual – are done through CADY. Please note that we use both the formal and casual photos, and we expect you to take both when you are photographed. The last day to be photographed for the yearbook and included in the senior section is November 30, 2022.

There are several options for when and where you have your photos done. I strongly recommend scheduling your portraits this summer at one of CADY'S studio locations. There you can spend more time on each of the different scenes, bring your own props (including pets, if you like), and have fun!

Option 1: Please go to cady.com/schedule to schedule; or if you prefer to call, their customer experience team can be reached at 678-722-3449. I encourage you to book now as appointments start to fill up, especially once the school year begins.

There are 4 Atlanta area studio locations; addresses are as follows:

JOHNS CREEK – 10700 State Bridge Road, Johns Creek, GA 30022

ACWORTH – 3979 S. Main Street, Acworth, GA 30101

DACULA - 1700 Winder Hwy., Dacula, GA 30019

ATLANTA - 2030 Powers Ferry Road, Suite 520, Atlanta, GA 30339

Option 2: CADY at CREEKVIEW – CADY will bring the studio to us for one day only on October 5, 2022. I strongly suggest that you do not wait until the last minute to take your photos, especially as appointments for CADY at CREEKVIEW will be limited. You can book this appointment online through the Cady website.

As the new school year unfolds, we will send reminders about senior photos, senior yearbook ads, yearbook sales, and other important information. Yearbook sales/senior ad sales will begin on August 1, 2022, and it's never too early to start gathering photos! You may use any photos (that are school appropriate, of course) for senior ads; however, please understand that we are under contract with CADY and cannot use outside photography for formal and casual yearbook photos.

Sincerely,

Louise Graner, Auberon Adviser
