

## The Booking Process:

Using [this link](#), please follow these instructions:

Type in **Creekview High School** and/or select the pop-up and then click "select". Read through the different options on the page, or scroll down to the bottom of the page to get started.

### Step 1 // Choose your favorite scenes:

- Yearbook is preselected (mandatory pose)
- **Exposure** and **Timeless** are the only two scenes that Cady will bring to the school in October. Select one or both if booking a session at the school, scroll down, and click "continue." If you are booking a session at a studio, there are more options.

**\*YOU MUST HAVE BOTH A FORMAL POSE AND A CASUAL POSE FOR THE YEARBOOK\***

Once you have chosen your scenes, scroll to the bottom of the page and click continue

**Step 2 // Choose your session.** You do not have to pay for an ELITE session if you don't want to. Creekview only requires a SIMPLE session for the yearbook. To book the Simple session, scroll to the bottom of the page and choose the middle option.

- If you are only booking a session for the yearbook, choose the **Simple** or **Standard** session. The Simple session fee is \$30.00 and needs to be done by November 30, 2022. Please see additional pricing information below.

**Step 3 // Confirm scenes** - if pop ups show, just click "no thanks" and move on

**Step 4 // If you would like to add extras**, please add them here.

- Do not select anything and click "Continue"

**Step 5 // Enhance your photos:**

- Select an option to enhance the photos, **OR** deselect boxes to NOT enhance photos and click "Continue"

**Step 6 // Select Date:**

- Choose Location: for a road shoot, you will select **Creekview High School** as the location
- Select the date and time on the calendar for the location. CADY is booking in June for Simple and Traditional sessions. For a road shoot, only the dates that Cady will be at the school will be available on the calendar.

**Step 7 // Review Your Session** - if you do not want retouching, make sure you deselect. When you are on the payment page, unclick "doubling proofs" to stay at the \$30.00 price point.

**Session Pricing:**

**Simple:**

- What's included: One yearbook scene, cap and gown, and ONE studio scene - \$30 sitting fee - package pricing starts at around \$179

**Standard:**

- What's included: One Yearbook scene, cap and gown, and TWO studio scenes - \$50 sitting fee - package pricing starts at around \$179

You will receive proofs to choose from – they will arrive in a portfolio. If you choose not to keep the portfolio and purchase the proofs, make sure you receive a return receipt.
