

Announcing

CCSD High School 2019 Summer School Options

Save the Dates: June 5-25, 2019

Credit Recovery

- Virtual Credit Recovery classes will held at each high school.
- Face-to-Face Credit Recovery (Teacher-Taught) will be held at Etowah HS at Etowah East. A sufficient demand must be shown in order for a Face-to Face course to be held.

Cost of each course will be \$200. Early Registration will be held in May in the counselors' office at each high school for the following courses:

Morning Sessions: 8:00 AM to 12:00 PM

Course Title	Virtual Course	Face-to-Face Course
9 th Literature/Comp A	X	X
10 th Literature/Comp A	X	X

Initial Credit for Personal Fitness and Health

Cherokee County School District will offer an opportunity for rising ninth graders to take Personal Fitness (morning session) and/or Health (afternoon session) at two locations: Cherokee HS (for Cherokee, Creekview and Sequoyah students) and Etowah HS at Etowah East (for Etowah, River Ridge and Woodstock students). Cost of each course will be \$200. Early Registration will be in May at each middle school. High students still needing to take these courses are also eligible to register at their counselors' office in May.

Summer Bridge

High schools will be working with middle schools to invite select, at-risk rising GR 9 students to attend Summer Bridge which is June 5-25 from 8:00 AM to 2:00 PM at each high school. There is no cost for the program which allows students to preview academic content, focus on study skills, learn to navigate the high school campus and build relationships with fellow students and high school staff. The program resembles a camp atmosphere whose goal is to prepare students for a smooth and successful transition to high school. No transportation is provided.

Watch for more detailed Summer School registration information to be released in mid-April.
