

Hello, Grizzly Students and Families! We hope as summer winds down you are all doing well. Whether you have opted for face-to-face learning or digital learning, we will continue to do our best to keep you informed with What's Happening at the View! Below you will find information to kick the school year off in addition to general happenings at Creekview.

**Walk Through – July 31<sup>st</sup> 9:00 – 11:45**

Our Walk Through this year is open ONLY to rising 9<sup>th</sup> graders and new students who need to learn the layout of the school. In an effort to reduce the number of people in our building at one time, students whose last names begin with A-M may walk through between 9:00 and 10:15. Students whose last names begin with N-Z may walk through between 10:30 and 11:45.

Each student can bring two parents/adults, however, younger siblings and friends are not permitted at the walk-through. ***We strongly encourage mask wearing at the walk-through.*** Additionally, teachers will be working in their rooms and in small groups getting ready for Monday. Please direct all questions to your child's counselor or the teacher's canvas page. Supplies for your child's classes will be located on the teachers' doors and/or canvas pages.

Returning students may review their Canvas page for an orientation video and teacher introductions.

**Schedules**

We have asked that our schedules be emailed to students Wednesday, July 29<sup>th</sup> at 4:00pm. Please be patient, as a mailing of this size can take some time.

Thank you for your patience as we finish adjusting schedules for our online learners. Once you receive your schedule, any questions should be directed to your counselor. Counselor and administrator contact info is below:

<b>Student Last Name Beginning Letter</b>	<b>Assistant Principal</b>	<b>Counselor</b>

**First Day of School – August 3<sup>rd</sup>**

The first day of school is Monday, August 3<sup>rd</sup>. Students driving or being dropped off should plan to arrive by 8:15am and report directly to HOMEROOM. We will be on an extended homeroom schedule which is attached. Please make sure you bring a pen and paper.

## **Changes and New Expectations relative to our Covid Return to School Plan**

Our Covid Return to School Plan includes the following items designed to keep students and staff as safe and healthy as possible:

We strongly encourage all students to wear masks when they are within 6 feet of another person and their teachers.

At 8:15am, the first bell rings for students to report to their first period. Any student arriving after 8:15am, will report directly to first period. Any student arriving after 8:30am, will be marked tardy. Breakfast will be still be provided.

Students' lunch periods will be split into lunch and study hall. *Study hall is required for all students and is not optional.* Study hall will allow students to complete or get started on homework, get assistance and/or study, while reducing the number of students in the cafeteria at one time.

Students will be on a staggered class change and dismissal schedule.

Students with Covid symptoms at school will be required to be isolated while parents are en route to pick them up. Students will not be permitted to remain on campus with a fever.

We strongly encourage students to participate in BYLD (Bring Your Own Learning Device) so students do not share school laptops. Please see the attached technology guidance for assistance in purchasing your own device. (Smartphones are not recommended for this purpose.)

### **Back to School Gateway**

[Back to School Gateway](#) will open July 29<sup>th</sup>. Whether your student is returning in person or digitally, we need the parents of all students to update emergency contacts and provide other important "first day forms" information.

### **Free and Reduced Priced Lunch Application**

Information and a link to the application for [Free and Reduced Priced Lunch](#) for the 2020-2021 school year is now available. Applications must be submitted each school year.

### **Bus Information**

[Bus and route information](#) can be found on the Creekview home page. Simply click on the Bus Info icon in the Parents & Community Section.

### **School Supply Lists**

School Supply Lists will be provided by teachers. On the first day of school, all students should come with something to write with and a notebook.

### **Creekview Sports Information**

To ensure you get the latest updates about some of your favorite sports programs at Creekview, our coaches have provided the below methods indicating the best way to get information about their respective program.

Sport	Coach	Information
Basketball	Boys: Casey Gramling Girls: John Domville	For the latest updates, follow on Twitter @CreekviewHoops or @CoachDomville. You may also email Coach Gramling ( <a href="mailto:casey.gramling@cherokeek12.net">casey.gramling@cherokeek12.net</a> ) or Coach Domville ( <a href="mailto:john.domville@cherokeek12.net">john.domville@cherokeek12.net</a> ).
Competition Cheer	Cassie Koes	For the latest updates, follow on Twitter @CreekviewCompHS or visit <a href="http://www.creekviewcompetitioncheer.com">www.creekviewcompetitioncheer.com</a> . You may also email Coach Koes at <a href="mailto:cassie.koes@cherokeek12.net">cassie.koes@cherokeek12.net</a> .

## Division of Technology & Information Services

Looking to purchase a laptop for your student this year?

CCSD utilizes both Windows and Chromebook devices which allow students to access all the resources needed for their daily schoolwork. Lower cost brands to consider include Acer, Asus, Dell, HP, Lenovo, Microsoft, etc. Minimal specifications are provided below. If your student needs a little more power based on their interests, upgrades are always available. Always ask if there are students discounts; and, if you are an educator, take your CCSD ID and ask for an education discount.

 Chrome OS	 Windows 10 Home or Pro
AMD A9 Series processor	8th Generation Intel Core i3 Processor
4 GB memory	8 GB Memory
32GB eMMC storage*	256GB SSD storage*
11" diagonal Full HD touch display	11" diagonal Full HD touch display
Standard Features: Integrated camera, microphone, wireless and 10-hour battery	
Warranty – you determine what your budget will allow	
Features/upgrades to look for: 360-degree flip to make device behave like a tablet pc. Screen readable in full sun, rugged exterior with strong hinges, spill resistant keyboard, protective carrying case, mouse, stylus (optional), USB A and C Ports, headphone jack and microSD storage slot.
