

**Registration Timeline - Rising 10th through 12th Grades
2022-2023SY**

January 24 – 28, 2022

Students will be placed in their core classes (**except for AP Courses**) for next year by their current teachers in Math, Science, Social Studies, English, and World Languages (Special Education students included).

January 19 – 28, 2022

Students make requests for AP courses they wish to take with the AP teacher. Students must request the course online; current teachers **DO NOT** request for them. AP teachers will review student data and make recommendations for AP courses. Students will find out if they are recommended for AP courses during their face-to-face counselor meeting in February.

January 26, 2022

Student elective sheets distributed. Elective sheets are due to student’s counselor during counselor visits in February, no later than February 7. INFORMATION ON ELECTIVES WILL BE POSTED ONLINE BY January 26.

January 27, 2022

Elective Fair

See below for links for the different departments for Elective Night. When you select a department, you will be taken to the department’s page for electives offered within the department. Please click on the “Elective Fair Link” for the course you are interested in learning about. All of the Elective Fair Links will be live from 6:30p.m. – 7:30 p.m. Feel free to visit different department/courses.

February 7 – 18, 2022

Students meet individually with their counselor during their English class. Students turn in elective sheet, choose electives, and verify core placements and graduation progress with their counselor.

March

Students receive course request verification to review their course requests for next year. A form will be available for students to request a change to their original course requests.
