

The Creekview District has a new option for co-ed extracurricular activities!

The Grizzlies Mountain Bike Team has formed and is open to rising 6th-12th graders who attend Creekland Middle and Creekview High School. This team is affiliated with Georgia Cycling Association, not CCSD. You can find us on Facebook or Instagram to see upcoming events. You can also find out more about our organization at www.georgiacycling.org.

Registration is open now through 6/30/23. The team fee is \$175.00, League Fees are \$205 + Race Series Fees. Must have a mountain bike, helmet and a way to carry water with either a hydration pack or bike specific water bottle & carrier.

Information Meetings and Fun rides will be held at Blankets Creek MTB Trail from 6pm—7:30 pm on April 24, 2023, May 8, 2023, May 18, 2023, June 8, 2023 and June 19, 2023. You can find out more information, ask questions and see what a practice will be like. So you can try it before you sign up!!! Loaner bikes will not be available at these events, you must bring your bike with you. (Events are weather permitted. If the trails are closed due to rain, the event will be closed. Rides will also be cancelled if we do not have enough coaches attending to maintain a safe Coach to rider Ratio)

All of our volunteer coaches complete annual background checks, safety, abuse prevention, concussion and on-the-bike training before they're allowed to interact with the student-athletes.

Please contact our Team Director with any questions:

Harlee Skelton, 706.614.3473
