Summary Explanation and Background
<p>June Sales Tax Update - - See Attached Report</p> <p>The School Board would normally consider the June 30, 2016 Monthly Financial Report and Sales Tax Update at this time. However, with June being the end of the fiscal year and due to year-end Adjusting and Closing Entries still being processed, the regular comprehensive Monthly Report is not yet available. FINANCIAL REPORT

JUNE 2016

Current SPLOST

For Fiscal Year 2015-16, the Cherokee County School District received \$2,958,324 in June 2016, for the month of May 2016, the 41st month of 60 monthly sales tax collections for the 2013-2017 SPLOST. Collections received were above projections (detail included) for the month by \$295,086 and well above cumulative projections by \$6,541,326. SPLOST sales tax collections are strong and continue follow the regular cyclical collection patterns seen in Cherokee County since 2001. While projections are level from month to month, actual collections vary greatly, due largely to regular consumer spending patterns and seasonal occurrences such as holidays. If this trend continues, it is possible that cumulative collections will exceed projections by as much as \$7 million as of December 2017.
