# Flight Missions

Which Flight Mission will be YOURS?

Encouraging our students to reach for the stars, we are expanding the current Sixes PBIS system!

(Positive Behavior Interventions & Supports)

## Why:

- Build teamwork & community
- Promote positive & minimize negative
- We are part of a team. Everyone is important!
- Engage students & staff in community service projects
- Research shows achievement grows when relationships are fostered and there is a strong, positive school culture.

## How:

- Teachers and staff will teach positive expectations using the STAR behavior matrix (on back) during morning class meetings.
- Every student & staff member will be part of a "Flight Mission." These will correspond with homerooms, so that all students in the same class are working towards a common goal.
- Each Flight Mission will have its own t-shirt to show spirit and promote teamwork & community.
- Students will earn points through Class Dojo (individually and collectively) for their Flight Mission for showing STAR behavior. Points will be tallied weekly and quarterly.
- The Flight Mission with the most points will be the weekly or quarterly winner & earn incentives.
- Quarterly Flight Mission meetings (schoolwide student assembly) will be held to celebrate success of the quarter, encourage students, recognize accomplishments, and reveal the quarterly winner!
- STAR Students will be selected and recognized at various levels each quarter for showing STELLAR character, kindness, and leadership.
