Title
School Board Adoption of Call for Election Resolution
Requested Action
School Board Consideration of Superintendent's Recommendation for Approval of School Board Adoption of Call for Election Resolution
Summary Explanation and Background
<p>In 2001, the Blue Ribbon Committee unanimously supported and recommended for the School Board's consideration the use of a combination General Obligation Bond (GOB)/Special Local Option Sales Tax for Education (Ed-SPLOST), which anticipated subsequent passage of local sales tax referenda in order to pay the debt service on the Bonds. This was for the specific purpose of generating critically-needed capital outlay funding to address the unprecedented increases in student population growth. The School Board subsequently agreed that a referendum in this regard should be placed before the voters of Cherokee County for each such subsequent Ed-SPLOST renewal.</p> <p>Accordingly, the attached resolution contains the proposed referendum and requires School Board approval at this time so as to have the referendum included on the November 2, 2021 general election ballot.</p>

WHEREAS, the Cherokee County Board of Education (the “Board”), which is charged with the duties of contracting debts and managing the affairs of the Cherokee County School System (the “School System”), has caused to be made a thorough canvass and study of the school buildings, equipment and facilities of the School System, and such investigation discloses the need for (i) acquiring, constructing and equipping new school buildings, administration buildings, athletic buildings/facilities and other buildings or facilities useful or desirable in connection therewith, (ii) adding to, renovating, repairing, improving and equipping existing school buildings, administration buildings, athletic buildings/facilities and other buildings and facilities useful or desirable therewith, (iii) acquiring buses and other vehicles, (iv) acquiring, installing and implementing technology improvements, (v) acquiring land for future facilities; and (vi) acquiring any property useful or desirable therefor, both real and personal (the “Projects”); and

WHEREAS, the most feasible method of obtaining the funds necessary to fund all or a portion of the Projects is through the issuance and sale of general obligation debt, which may be in the form of notes, bonds or loans (the “Bonds”) pursuant to the Constitution and laws of the State of Georgia; and

WHEREAS, Paragraph IV of Article VIII, Section VI of the Constitution of the State of Georgia (the “Amendment”), and Article 3 of Chapter 8 of Title 48 of the Official Code of Georgia Annotated, as amended (the “Act”), authorize the imposition of a one percent sales and use tax for the purpose, inter alia, of financing certain capital outlay projects and retiring existing general obligation debt incurred for capital outlay purposes; and

WHEREAS, the School System is currently collecting the one percent sales and use tax, and such one percent sales and use tax will expire on or before December 31, 2022; and

WHEREAS, the Board has determined that it is in the best interest of the citizens of the School System that the one percent sales and use tax be continued in the School System to raise not more than \$290,000,000 for the purposes of funding (a) the payment of a portion of the principal of and interest on the (i) Cherokee County School System General Obligation Bonds, Series 2009, Series 2010, Series 2012, Series 2014, Series 2015, Series 2016, Series 2017, Series 2018 and Series 2020 previously issued (the “Prior Bonds”) and (ii) Cherokee County School System General Obligation Bonds authorized in 2016 and expected to be issued before the current sales and use tax expires (the “Authorized Bonds”); (b) the payment of a portion of the principal of and interest on the Bonds; and (c) a portion of the Projects; and

WHEREAS, there are no independent school systems within the School System;
and

WHEREAS, it is necessary to submit to the qualified voters of the School System the question of whether or not the Bonds should be issued and whether or not the one percent sales and use tax should be continued;
