

## Be Ready for Inclement Weather

As inclement weather season is here, we need your help to ensure your child's school knows your plan for inclement weather early dismissal. Every year, we ask you to decide which choice is best for your child: riding the bus home, or being picked up from school by you or another authorized person.

**Through Friday, Dec. 7**, you can update this choice using our [online Express Gateway system](#); after Friday, you will need to call the front office of your child's school to make that change.

Want to know more about our decision-making process for closing school due to inclement weather? [Check out the information here](#) or watch the brief video below.

Want to know more about how to prepare your home and car for the season? Check out this quick [Winter Weather Preparedness guide](#) from CCSD Partner, the Cherokee County Emergency Management Agency.
