

TEASLEY MIDDLE SCHOOL

PARENT RESOURCE SUITE

Welcome Parents!

Teasley has a brand-new Parent Resource Suite located in the school media center! There are many items available for parents to check out. There are parenting books and information on topics such as discipline, child development, and homework help. There are also fiction and non-fiction books for middle schoolers and other fun activities to do with your child at home. We also have educational games that focus on math, word recognition, vocabulary, and comprehension.

If you are interested in learning more about these resources, please contact our school's Parent Engagement Facilitator, Mrs. Carolina Zavala. She can be reached by e-mail at carolina.zavala@cherokeek12.net or by phone at (770)721-5420.

Please feel free to access the Title I parent information at any time on our school website <https://www.cherokeek12.net/teasleyms>
