### What can you do at home to ensure your child's success?

- Talk to your child about his/her day at school.
- Ask your child questions about their learning.
- READ!!! Read with your child every night!
- Trace and say sight words- make it fun: use playdough, shaving cream, or sand to add a fun twist.
- Play games! Learning games, board games, interactive games. (If you need any of these we have some available in our Parent Resource Room)
- Talk about letters and sounds
- Practice addition and subtraction math facts.
