

CMS Business and Technology Club

What is it? The Business and Technology Club members will be creating projects for the County Tech Fair and learning more about computers.

When does it meet? The Business & Computer Science Club meets on the 2nd Wednesday of each month. The 2018-2019 meeting dates are:

| | | | |
|-----------|------------|------------|------------|
| 9/12/2018 | 10/10/2018 | 11/14/2018 | 12/12/2018 |
| 1/9/2019 | 2/13/2019 | 3/13/2019 | 4/10/2019 |

What do we do? We will meet as a whole group monthly on the second Wednesday of the month to work on, discuss, and brain storm Tech Fair project ideas. The majority of each student’s tech fair project will need to be completed at home. The project is due in January. After the fair, students will meet to discuss and learn more about technology and computers.

How do I join? Complete the information on the bottom of this form and return it to Mrs. Bennett (room 201). See you then!
