Dear Parent/Guardian,

Creekland Middle school provides academic support through an Extended Instruction Program (ExP). During this time, students may receive additional tutoring in ELA/Reading, Math, Science, and Social Studies. A portion of the tutoring sessions may also be utilized for students to receive support on homework assignments.

Three opportunities are provided for academic support:

- **Afterschool:** ExP will meet every Monday and Thursday from **3:45 PM – 5:15 PM**. Afterschool ExP will begin on **September 9th**.
- **Morning:** Math ExP will meet every morning from **7:45 – 8:15 AM**. **MATH ONLY**
- **Saturday:** Weekend ExP will meet on selected Saturdays from **9:00 AM– 12:00 PM**. These dates will be communicated to parents as they approach. Students must register in the front office by the Tuesday prior to the upcoming Saturday ExP session if they wish to attend. Parents are also encouraged to email Ms. Harike at Sunny.Harike@cherokeek12.net (front office) to register their child.

Students are responsible for bringing all learning materials to Saturday School and/or Afterschool ExP.

To enroll your child in weekday AM or PM ExP tutoring, please complete the registration form and return to your student's homeroom teacher as soon as possible.

If you have any questions regarding ExP, please contact Mrs. Beth Watkins at beth.watkins@cherokee.k12.ga.us or contact your student's grade level counselor or administrator.

Kind Regards,

Dr. Richard Carnes, Principal
