TOPIC Creation of a Grizzly Feeder Sports Committee

PRESENTER John Saunders

DISCUSSION	Mr. Wilson discussed which Jr. Grizzlies sports are directly connected to the high school booster club, and how those sports are much more efficient in getting information to the students-more opportunity for all students to participate & easier to govern- lacrosse, soccer, and baseball are not yet. Mr. Saunders would like a way to get coaches from all these sports to meet, learn more about each others' programs, and create a set of core expectations for a team using the grizzly logo and name.	
CONCLUSIONS	Mr. Wilson is working on a few changes with the lacrosse program to align with boosters. He will follow up with Mark Merges on creating a clinic/meeting for community coaches. Mrs. Denereaz suggested a chart to be updated with information in one place. There has been discussion about changes to the basketball program to include 6 th graders at the county level.
