<p>Twenty-one Cherokee County School District students placed in the 2018-19 Georgia PTA Reflections fine arts contest! This year's theme was "Heroes Around Me."</p> <p>The Reflections Program is a National PTA and Georgia PTA cultural arts competition. Since 1969, over 10 million students across the nation have taken part in this popular PTA program. The purpose of this program is to provide an opportunity for students to use their creative talents by expressing themselves through their own original works.</p> <p>The annual contest gives students in all grades and abilities the opportunity to create original works of art in the categories of dance choreography, film production, literature, music composition, photography and visual arts for the opportunity to earn recognition at the School, District, State and National levels.</p> <p>Awards were given to first-, second- and third-place winners at the County-level ceremony, and the first- and second-place winners in each grade and each category, as well as Special Artists, advanced to the State competition.
