Title
Proposed Issuance of Tax Anticipation Notes (TAN)
Requested Action
School Board Consideration of Superintendent's Recommendation for Approval of Issuance of Tax Anticipation Notes (TAN)
Summary Explanation and Background
<p>The School District derives a large part of its annual operating revenue from the collection of property tax in the county. Property tax is collected one time per year, generally between October and December. Because of the timing of the collection of property tax, the School District experiences a short term cash flow interruption requiring short term borrowing in the form of a Tax Anticipation Note ("TAN"). A TAN must be repaid in full prior to the end of the calendar year. The Board is, therefore, asked to consider and approve the Superintendent's recommendation to adopt in substantially similar form, the attached Resolution authorizing the issuance of \$11.5 million of a TAN to the financial institution submitting the lowest qualified interest rate bid. Interest rate bids will be solicited, received and evaluated by staff and representatives from Davenport and Company, the District's Independent Financial Consultant, prior to the September 13, 2018 Board Meeting.</p>
Major System Priority
Increasing Accountability
Financial Impact
Estimated interest expense \$32,623. Actual expense to be based on bid.
