Approval of Enhanced 2020 Graduation Plan						
Requested Action						
School Board Consideration of Superintendent's Recommendation for Approval of an Enhanced 2020 Graduation Plan						
Summary Explanation and Background						
<p>Working with our graduation host, First Baptist Church of Woodstock, CCSD announced an enhanced graduation ceremony plan that will allow us to accommodate up to two guests per Class of 2020 graduating senior for our in-person ceremonies, as scheduled for July 23-25. It is requested that the School Board ratify the following enhanced graduation ceremony plan, which includes all graduates and two guests at each school's ceremony, while protecting the health and safety of everyone in attendance:</p> <ul style="list-style-type: none"> • SEATING AND SOCIAL DISTANCING: Students will be seated in a specific area and social distanced. All guests will be seated by ushers and social distanced; guests will not select where they sit. As is standard, guests will not be permitted to stand in aisles or come to the stage to take photos; we will, as we do every year, have a professional photographer stationed by the stage taking photos of each student. Additionally, there will be specific signage posted about use of restrooms that everyone needs to follow. Finally, guests will not be allowed to congregate in the church lobby, hallways or parking lot before or after the ceremony - we need everyone to social distance there as well. • FACE COVERINGS/MASKS: CCSD staff will be required to wear face coverings/masks. We encourage, and may ultimately require, all graduates and their guests to wear face coverings/masks for the entirety of the event. Graduates and their guests should acquire a mask between now and then that you feel comfortable wearing, as this may be required for entry.
