# Woodstock High School

Welcome new and returning Woodstock Wolverines!

The Woodstock High School PTSA invites you to join us to make a difference in education and for our students. We strive to make their high school experience a memorable one. The PTSA empowers parents to advocate for children by taking actions and building partnerships to create positive change. Through PTSA, you are informed about local, state and federal policies impacting children, families and schools and what you can do to take action. The PTA/PTSA is one of the largest volunteer organizations in the world. There are over six million members in PTA and they range from parents, grandparents, and teachers to administrators, students and community leaders. We all know children learn more and have better lives when parents, school staff, students and the community work together.

WHS PTSA supports our students & staff through various projects, events & programs:

- Media Center: new, comfortable, functional furniture for all to use
- Student Patio improvement project including bench seating, tables, umbrellas & landscaping
- Counselor's Conference Room: providing a safe and comfortable space for students to decompress and regroup to continue with their busy days
- Senior Class events
- Calculators for students in need to check out
- Back to School Breakfast, Holiday & End of Year lunches
- Supply Drive: providing items teachers may have previously purchased for students

Our main way to communicate with you is through our monthly News Blast and PTSA website. To access our website, please go to: [woodstockhs.memberhub.com](http://woodstockhs.memberhub.com) OR <http://cherokeek12.net/woodstockhs/ptsa/>.
