

# CAREER TECH

## MORE THAN A DIPLOMA

### WOODSTOCK HIGH SCHOOL

By enrolling in Career Tech Pathways, students learn the technical knowledge and skills necessary for entering the job market, while realizing future post-secondary educational goals.

Upon successful completion of a pathway and the assessment, students will be awarded a formal seal of endorsement on their diploma.

# CTAE

CAREER  
TECHNICAL  
& AGRICULTURAL  
EDUCATION

# Marketing

**Sports & Entertainment Marketing** - Learn the fundamental concepts of marketing various types of products, services, entertainment, and sporting events.

# Education & Training
