

CCSD Administrative Guidelines Regarding Sex Education/AIDS Education Parent Permission

Pursuant to the School Board's Health Education Policy (IDB), these administrative guidelines are to be utilized by CCSD staff in policy application:

Sex education and AIDS education will be a part of a comprehensive health program. Prior to the parent or legal guardian making a choice to allow his/her child to take the specified unit of instruction, he/she will have the opportunity to review all instructional materials to be used, print and non-print.

NOTIFICATIONS:

- a. Prior to the beginning of sex education instruction, the school will send parents/legal guardians written notice of the course of study;
- b. The parent/legal guardian will be provided an opportunity to review the curriculum and instructional materials as provided above;
- c. Parents/legal guardians who elect to allow their child to participate in the sex education course of study will return a signed permission form to the school; and,
- d. Students who do not return a signed permission form will not participate in the course of study but will be provided other health related instruction.

CCSD will establish a committee appointed by the Superintendent to periodically review sex/AIDS education instructional materials and make recommendations concerning age/grade level use.

REVIEW COMMITTEE COMPOSITION:

- a. Appointed staff will include the Chief Academic Officer or designee, Health/PE Coordinator, school-site administrators and select Health and PE teachers;
- b. Non-teaching parents/guardians who have students enrolled in the School District; and who represent the diversity of the student body;
- c. Other community representatives such as educators and representatives from health professions; and,
- d. An 11th or 12th grade male and female student currently enrolled in the School District.
