CCSD Administrative Guidelines Regarding Grading, Promotion, Placement and Retention

Pursuant to the School Board’s Pupil Progression Policy (IHE), these administrative guidelines are to be utilized by CCSD staff in policy application:

I. TERMINOLOGY AND DEFINITIONS

Additional Instruction – academic instruction beyond regularly scheduled academic classes that is designed to bring students not performing on grade level to grade level performance. It may include more instructional time allocated during the school day, instruction before and after the school day, Saturday instruction, and/or summer instruction or other forms of instruction beyond the school day.

Differentiated Instruction – instructional strategies designed to meet individual student learning needs.

Grade Level – standard of performance, based on competency of student performance standards.

Placement – the assignment of a student to a specific grade level based on the determination that such placement will most likely provide the student with instruction and other services needed to succeed and progress to the next higher level of academic achievement.

Placement Committee – the committee established by the local school principal/designee to make placement decisions concerning a student who does not meet expectations on the Georgia State Assessment or alternative assessment instrument in the absence of Georgia State Assessment. This committee will be comprised of the principal/designee, the student’s parent or guardian, and the teacher(s) in the content area(s) in which the student did not achieve grade level on the Georgia state assessment.

Promotion – the assignment of a student to a higher-grade level based on the student’s achievement of established criteria in the current grade.

Retention – the re-assignment of a student to the current grade level during the next school year.

II. ASSESSMENT OF GEORGIA STANDARDS OF EXCELLENCE (GSE) AND CORE CURRICULAR COMPETENCIES

A comprehensive system will be planned, developed and implemented to measure and verify proficiency of GSE and core curricular competencies, based on documented demonstrations of mastery. Such verification will consist of, but not be limited to, the following:

A. Elementary School Middle School

1. Georgia Kindergarten Inventory of Developing Skills (GKIDS 2.0)
2. Georgia Milestones End of Grade Assessments
3. ACCESS 2.0 for English Learner students
4. Other Approved Measures (e.g., prescribed reading and mathematics mastery

3. Other Approved Measures (e.g., prescribed reading and mathematics mastery tests, teacher-made tests and portfolio assessments).

III. REPORTING OF GRADES

The reporting of student progress to parents will follow School District procedures and will be in accordance with Georgia law, Georgia Board of Education rules, and School Board policies, rules and regulations.

A. Report Cards

1. Report cards are issued in kindergarten through eighth grades at the end of every nine weeks of school and cover a period of approximately 45 school days. Such reports will be distributed to students for delivery to their parents/guardians according to the School District calendar. If a student withdraws and does not qualify for a report card under this provision, he/she will be issued a withdrawal form listing current grades in each subject area.
2. Report cards are issued in ninth through twelfth grades at the end of each semester of school and cover a period of approximately 90 school days. Such reports will be distributed to the students for delivery to their parents/guardians on the fifth school day following the end of the grading period except for the final report, which will be mailed to the parent.
3. Parents/Guardians of students in third through twelfth grades will have access to students’ current grades, including individual assignment grades and class averages, throughout the grading term through the School District’s online learning management system.
4. Student attendance for the grading period will be recorded on the report card.
5. Elementary report cards will be signed by the parent/legal guardian and

Pursuant to the School Board’s Pupil Progression Policy (IHE), these administrative guidelines are to be utilized by CCSD staff in policy application:

6. English Learners (EL) must receive appropriate grade-level instruction using English proficiency level as determined by the W-APT or ACCESS 2.0 assessment. Resources provided by the World Class Instructional Design and Application Consortium (WIDA) will assist teachers with differentiation. Grades must reflect work that has been differentiated to their English proficiency level and accommodations established in the English Language Learner–Testing Participation Committee Plan (ELL-TPC).

7. For some special education students, alternative report cards are used to report progress made on Individualized Education Program (IEP) goals and objectives. Some students will receive the regular education report card to report progress made in other subject areas.

8. Conferences will be scheduled at the request of the teacher or parent. Parents/guardians will be notified by the teacher and through report cards of the right to request and participate in conferences.

B. Grading System - Kindergarten

It is required that kindergarten student performance be evaluated and reported based on mastery of standards in language arts, mathematics, science, social studies, approaches to learning, personal and social development and motor skills. 2. The weighted NGA summarizes each student’s academic performance in high school.

3. For the purposes of considering quality points when determining weighted NGA:
   - I. Honors Courses, Five points
   - II. Advanced Placement (AP) Courses, 10 points
   - III. Dual Enrollment Courses:
     - i. 10 points, whenever the college course taken is equivalent to an AP high school course for which the student has not already taken and received quality points, as recommended and approved by the Chief Academic Officer.
     - ii. A waiver for consideration of quality points (5 or 10) may be submitted to the Office of Curriculum and Instruction for Dual Enrollment Courses taken by students which meet the following criteria:
       1. Demonstrates rigor;
       2. Serves as a replacement for an on-campus course
Pursuant to the School Board’s Pupil Progression Policy (IHE), these administrative guidelines are to be utilized by CCSD staff in policy application:

- receiving quality points; or,
- 3. Exceeds the highest instructional level course available at the local high school.
- 4. An incomplete (I) is given as an opportunity for students to make up incomplete class work. Class work will be made up 14 school days after the close of the grading period. If the work remains incomplete at the end of this period, the “I” will revert to a failing grade. The principal/designee has the discretion, upon request, to extend the deadline.
- 5. Grade Adjustment:
  I. The principal/designee is responsible for the supervision and maintenance of student records. The principal/designee assumes the responsibility for adjusting a student’s grades or credits when the necessity arises, consistent with the following reasons:
    i. Errorinely computed or recorded grades.
    ii. Conversion of grades from other schools into the School District’s grading system.
    iii. Averaging or grades earned by students who may be:
      1. Temporarily enrolled in another school in the United States or abroad, or
      2. Enrolled in a special program (homebound instruction, out-of-district placement, tutorial programs, make-up work, and so on).
    iv. Summer school grades: The original grade assigned, and the summer school grade earned, will appear on the student transcript. Both the original grade and summer school grade are used in computing class rank.
    v. Averaging grades earned by students who transfer to the high school from other schools during the course of the year with grades earned at the high school. Transfer grades received during the school year should be sent to individual teachers or department heads to be incorporated into the final average.
    vi. Granting credits earned in other high schools in subjects not offered in our curriculum.
    vii. Any other good and sufficient cause except that no grades may be adjusted to facilitate athletic eligibility.
- II. In the above cases, as well as in any other case not delineated herein, the principal/designee will, when possible, consult with appropriate teachers in whose class the student is enrolled, officials of the sending schools, and persons in charge of special instruction.
- III. The principal will refer unresolved grade disputes between

The Superintendent will establish guidelines to insure consistent and timely implementation of the responsibilities of each school's Grade Review Advisory Committee. Reference GA. Code 20-2-989.20 and School District Guidelines for the Grade Review Advisory Committee.

IV. PROMOTION, PLACEMENT AND RETENTION

A. General Guidelines for Kindergarten through Eighth Grades

1. Students in kindergarten through eighth grade will be promoted, placed or retained dependent upon their ability to meet the student performance standards and core curricular competencies of the School District and State Board of Education Rules 160-4-2-.11, Promotion, Placement, and Retention and 160-3-1-.07, Testing Programs-Student Assessment, and State law.

2. The principal/designee will have the final authority for appropriate grade placement of students in kindergarten and grades 1, 2, 4, 6 and 7. The principal/designee will be included in the placement committee for students in grades 3, 5 and 8 within the limitations of School Board Policy, Georgia Board of Education Rules 160-4-2.11 and 160-3-1-.07 and Georgia law.

3. General education students in kindergarten through eighth grade will not be retained unless there has been a referral to the Response to Intervention (RTI) Tier III with sufficient timelines to assure that appropriate interventions to secure student success have been attempted and documented.

4. For special education students in kindergarten through eighth grade, the Individualized Education Program (IEP) Committee, including the principal/designee and Special Education Facilitator, will determine grade placement. Considerations made by the IEP Committee will include, but not limited to:
   I. Reviewing documentation of attempted appropriate interventions and accommodations for a sufficient amount of time to secure student success and/or improved student performance;
   II. Reviewing the present levels of academic achievement and functional performance;
   III. Reviewing the progress on current IEP goals and objectives.
   IV. Additionally, for special education students in grades sixth through eighth, the IEP Committee will also determine and document in the student's Individualized Education Program (IEP) the appropriate level of student performance standards and type of diploma the student will work toward.
CCSD Administrative Guidelines Regarding Grading, Promotion, Placement and Retention

Pursuant to the School Board's Pupil Progression Policy (IHE), these administrative guidelines are to be utilized by CCSD staff in policy application:

5. English Learners (EL) who have been enrolled in the ESOL program for two years or less may not be retained solely due to lack of English proficiency.
6. When determining the placement of students, academic performance based on mastery of standards with emphasis on proficiency in core subject areas and the student's level of social and emotional development will be considered.
7. Work completed under private instruction will not be accepted by the School District except in accordance with Georgia Board of Education administrative rules.
8. The principal/designee will establish or convene a RTI or IEP Committee meeting to address potential interventions and/or accommodations for any third through eighth grade student placed into a subsequent grade level for the next school year although the student did not achieve at grade level on reading and/or mathematics sections of the Georgia state assessment or alternative assessment instruments in the absence of Georgia state assessment.
9. Students in grades sixth through eighth whose accelerated academic needs cannot be met at the middle school level, as determined by the middle school principal/designee, high school principal/designee and Chief Academic Officer, may be permitted to attend a high school for the necessary course. Middle school students will not attend a high school for a course when that course is available at the middle school level or when the course sought at the high school level requires successful completion of the middle school curriculum. Transportation to a high school for coursework must be provided by the parents/guardians.

B. Specific Requirements for Grades Three, Five and Eighth

1. Students will be tested in accordance with requirements specified in State Board Rule 160-3-1-.07 Testing Programs – Student Assessment.
2. Promotion of a student will be determined as follows:

   II. No fifth grade or eighth grade student will be promoted to the sixth or ninth grade if the student does not achieve grade level on the Georgia state assessment or alternative assessment in reading and/or mathematics and meet promotion standards and criteria established in this policy, unless otherwise specified in an Individualized Education Plan (IEP).
CCSD Administrative Guidelines Regarding Grading, Promotion, Placement and Retention

Pursuant to the School Board’s Pupil Progression Policy (IHE), these administrative guidelines are to be utilized by CCSD staff in policy application:

IV. A student who is absent or otherwise unable to take the Georgia state assessment in reading and/or mathematics on the first administration or its designated make-up day(s) will take the reading and/or mathematics on the second administration day(s) or an alternative assessment instrument that is appropriate for the student's grade level as provided for by the State Board of Education and the local Board of Education. Placement or promotion of these students will follow the same procedures as students who do not achieve grade level on the first administration of the assessment.

V. A student's failure to take the Georgia state assessment in grade three, five or eighth in reading and/or mathematics on any of the designated testing date(s), or an alternative assessment instrument that is appropriate for the student's grade level as provided for by the State Board of Education and the School District, will result in the student being retained. The option of the parent or guardian or teacher(s) to appeal the decision to retain the student will follow the procedure set forth in this rule.

VI. The school principal/designee will annually notify parents or guardians that placement or promotion of a student into a grade, class, or program will be based on the academic achievement of the student on criterion-referenced assessments and/or other criteria established in this policy.
