

Young Adult  
**FANTASY/SCI-FI  
BOOK CLUB**

If you are in middle school and want to explore the world of fantasy/science fiction novels with friends your age, join our Young Adult Fantasy/Sci-Fi Book Club. We'll read a book once a month and then get together to discuss, break down and celebrate what it brought to the table. Our first book will be the fantasy classic, J.R.R. Tolkien's *The Hobbit*. Please have it read and bring your thoughts, observations and questions to the book club meeting on Tuesday, February 3, 2022 at the the Northside Hospital-Cherokee Amphitheater. Dinner will be served!
