Introductions were made, and council members shared information on the involvement with the council.

Discussion was held regarding the incident at Freedom regarding a student threat. The school reported the coordination with the Office of School Operations regarding the procedures and communication. It is always the school's intent to make sure structure is in place for safety and security for the students and the school, and that communication is important to the partnership with families and the procedures of the school district.

The Leadership Qualities of an Effective Principal were reviewed and developed. The information has been submitted to the Office of School Operations.

Sheila Grimes asked the committee to consider aspects of school operation in which the council would like additional information for future meetings.
