

Get "Knee High" in Community Service!

*Come help our "Knee High Gang"
and earn community service hours.*

Our 'Knee High Gang' of **Dwarf horses** are super cute and rare. These horses, as cute as they are, have many deformities and special needs. They need grooming, handling and lots of love. They weight about 100 pounds and are 18 inches to 45 inches tall. We have a gang of ten. You have to see them. You can't help but smile!

We also have lots of **Horses, Donkeys, Pigs, Goats and other animals** that need attention! Volunteers can help with the physical needs of the horses including grooming, feeding and providing TLC, or they can assist with barn chores such as cleaning stalls. We also need help with upkeep such as fence mending, painting and organization.

Save the Horses was created to address the urgent need for rescue services and equine public education. We are an all-volunteer organization, operating solely the on donations given through the generosity of compassionate and caring people.
