

Appendix A: CCSD Student Dress Code

The purpose of a dress code is to promote an orderly learning environment in our schools while preparing all students for later success in the world of work. The CCSD Student Dress Code was developed through the direction of the Superintendent and with the cooperation of parents, students, teachers, and administrators.

Students of the Cherokee County School District are expected to dress in a manner that is conducive to a good learning environment. Accordingly, the administration reserves the right to determine if accessories/clothing are too casual, too revealing or too distracting for school dress. Additionally, the administration reserves the right to prohibit accessories/clothing if those items create a potential safety or injury risk to the individual student or others; or, if the administration determines that they create a reasonable disruption to the classroom or school environment.

Note: While the Student CCSD Dress Code guidelines may be modified for students at the elementary school level, any changes at the middle and high school levels, as described above, cannot compromise or negate existing provisions.
