

Academic Bowl Guidelines

Membership: Try-outs are in January of the school year. The top 10 students are selected for a 5 member team. Students will rotate during the completion with 5 students at a time participating. Members are from grades 4 and 5. Students are required to be knowledgeable in all academic areas including math, science, literature, current events, social studies and fine arts.

Practice and Competitions: Practices for the competitions are on Monday after school from 2:15- 3:30 pm. Practice for the competition begins in January through April with the final competition to be held on April 15, 2017 at Woodstock High School. Johnston Elementary Academic Bowl team will compete against all elementary schools in a 10 question competition or rounds. Questions are presented to the teams for quick response. Points are awarded for the correct answer and bonus questions. The team with the highest score moves on to the next round till a final winner for the county is determined.

Transportation: Parents are required to pick their student up on time after each practice session. They are also required to take the student to the competitions.
