The Cherokee County Board of Education called its meeting to order at 7:00 p.m. on Thursday, January 19, 2012 in the Historic Canton High School/School Board Auditorium, 111 Academy Street, Canton, Georgia. Present were: Chairman Robert Rechsteiner; Vice-Chair Kim Cochran; Members, Mike Chapman, Michael Geist, Janet Read, Rob Usher and Robert Wofford; Superintendent Dr. Frank R. Petruzielo; Student Advisor to the School Board Rebecca Hannigan; and Board Attorney Tom Roach.

**Call to Order**

The call to order by Robert Rechsteiner was followed by the Pledge of Allegiance to the Flag of the United States of America, led by Robert Wofford.

**Organizational Meeting**

School Board Attorney Tom Roach presiding.

**Election of Officers**

School Board Members appointed Mike Chapman to serve as School Board Chair and Janet Read to serve as School Board Vice-Chair for calendar year 2012.

Mike Chapman thanked School Board members for their confidence and support in appointing him School Board Chair for 2012. He stated that he looks forward to working with everyone this year.

Robert Rechsteiner thanked School Board members for their support during his 2011 term as School Board Chair. He further stated that he feels that the School Board, in its current governance model, is doing a great job for students, parents and the community, and that he hopes efforts to repair something that is not broken (through legislative reapportionment) do not succeed. He also thanked the Superintendent for his help, support and leadership throughout the 2011 term.

Michael Geist stated that, until he became a School Board member, he did not fully appreciate the challenges faced by the School Board and School Board Chair. He thanked Mr. Rechsteiner for his service during his term as School Board Chair.

Janet Read thanked School Board members for their support and stated that she looks forward to working with everyone to do the best for all of Cherokee County’s students.
Adopt Agenda

On a motion by Janet Read, seconded by Robert Rechsteiner, the Board unanimously adopted the Superintendent’s recommended agenda (7-0 vote).

Minutes for Approval

On a motion by Robert Wofford, seconded by Rob Usher, the Board unanimously approved the minutes from the December 1, 2011 School Board Meeting (7-0 vote).

Consent Agenda

Following identification of those agenda items Board Members and members of the public indicated they would like considered separately, a motion was made by Kim Cochran, seconded by Michael Geist and carried, to approve the Consent Agenda for the remaining items - identified by asterisks (7-0 vote).

Dr. Petruzielo recognized Dr. Jennifer Scrivner, newly-appointed Principal at the New ES on Hunt Road; and, acknowledged the retirement of Dr. Carla Cohen, Assistant Superintendent for Educational Programs, Student Support and Professional Development.

Public Participation:

Mr. Woodrow Gaines addressed the School Board relative to a driver training program.

Appropriate staff will follow-up with Mr. Gaines.

Rebecca Johnston and Stefanie Joyner, representing the Cherokee County Historical Society, presented copies of Cherokee County, Georgia: A
History for each school and thanked the Superintendent and School Board for their support.

B. SCHOOL BOARD MEMBERS/STUDENT ADVISOR TO THE SCHOOL BOARD

B-1. Recognition of Superintendent of Schools

Janet Read recognized Dr. Petruzio for completing 13 years as Superintendent of Schools in Cherokee County School District. She thanked him for his leadership and service to the children of Cherokee County. She made the following comments:

Who remembers where they were on February 1, 1999?

On February 1, 1999, Dr. Frank Petruzio entered building A as the new CCSD Superintendent and things have never been the same.

At that time our district had 24,444 students. The first Ed-SPLOST had been passed two years earlier and we were building new schools as fast as we could. One year later, February 21, 2000, students and staff from Chapman Elementary moved 1.3 miles down the road to open as Carmel Elementary School. The Chapman facility, through the implementation of boundary hearings was converted to our first and only intermediate school housing 5th and 6th grade students from three critically overcrowded elementary schools.

The district as a whole was on accreditation probation and the school district was often the subject of the nightly news from Atlanta.

Fast forward thirteen years later.

Our first day of school in August 2011 saw 37,812 students enter our schools. And every one of them was fed lunch and made it back home safely.....always a goal for our first day of school!

August 1, 2012 will see the opening of six Academies in elementary schools throughout our county. This will give our parents another “choice” for their children's education opportunities within their public school system.

Cherokee is one of the first School Districts in the United States to earn District Accreditation as a Quality School System through (SACS/CASI).
We recently maintained this honorable distinction.

The School District has made Adequate Yearly Progress (AYP) in every year but two since inception of federal No Child Left Behind (NCLB) standards.

CCSD has an outcome-based, data-driven and Board-approved District Strategic Plan, Five Year Facility Plan and Three Year Technology Plan. Also, outcome based, data-driven and Board-approved School Improvement Plans (SIPs) are in place for every school...

An Atlanta Journal-Constitution (AJC) analysis in May, 2010 found CCSD to have the lowest central office administrative costs in metro Atlanta, whether measured on a per-student cost ($222) or as a percent of total budget (2.6%). The average per-student cost across 12 metro school districts was $516 . . . more than twice the CCSD cost.

More than 85 Board-approved partnership agreements have been negotiated with county and city governments, various institutions of higher learning and numerous community-based organizations and agencies...plus 200 individual school/business partnerships.

Nearly $10 Million in competitive grant funding has been solicited and received since 1999!

CCSD has seen a 400% increase over the past 10 years in students taking Advanced Placement (AP) tests for college credit; and 72% of CCSD students scored high enough on AP exams in 2010 to receive college credit. . . compared to 53% for the State and 58% for the Nation. (If you have priced college tuition lately, you will see what a benefit this is for our students and their parents!)

Congratulations to Dr. Frank Petruzielo for his leadership over the last thirteen years. We have come a long way since the day the principal called you from Canton Elementary School to ask what he should do about the leaking water fountain! Thanks for all you do for the students, staff and administration of the Cherokee County School District. You have kept us moving forward!

B-2. Federal Relations Network Conference

Janet Read presented the following report from her recent trip to the Federal Relations Network (FRN) Conference in Washington, DC:

“This past weekend I attended the FRN conference in Washington, DC. The Federal Relations Network is the lobbying arm of the NSBA.
NSBA represents 90,000+ school board members.

We are making a difference in:

the courts...recently testified about bullying. GOAL: we need guidance that is clear. We don't need any more laws. We need to be able to address it at the local level.
The DOE – attended the Labor Management conference. How can all groups work together around areas of teacher compensation?

NSBA is a diverse group – both racially and economically
We NEED strong public schools and a commitment that funding will match our goals.

‘Education funding is like building a bridge. The bridge needs to be adequately built and constantly maintained so that all vehicles can move across it safely....regardless of their make, model or speed.’

The main focus of the conference was to push for reauthorization of the ESEA – Elementary and Secondary Education Act. It is supposed to be reauthorized every five years. It has not been reauthorized for 10 years. There are currently both House and Senate versions of the bill being proposed. The Senate version wants to direct federal outcomes while the House version is premised on the conviction that states and locals can do it better and wants to “reduce the federal footprint”. Both bills remove the 100% AYP standard, promote student achievement and outline teacher and principal effectiveness.

It is evident that many of the trends we see in Georgia are prominent in many other states as well. Decreased funding, increased pressure from charter school advocates, increase in candidates backed by the Tea Party, increased furlough days and the necessity to do more with less funding.

So why, the push for lobbying from the NSBA - in simple terms: Be at the table, or be on the menu! The US Department of Education is staffed with many folks who don't know education on the ground. Many of their staff come from foundations, not local school districts. It is our job to educate them about the issues and concerns that face public education every day.

Congress is hearing lots of voices; public education needs to be a loud one. We are honoring the “right to petition Congress” as outlined in the Constitution. We put a personal face to education. The experts in education are not “in” education....the experts are those like our teachers, staff and administrators who live it every day. We are their voice to Congress.
Title 1 funding was also a major topic. Title 1 serves students in more than 90% of school districts across the nation. When the Federal government is using the data for free and reduced lunch, they are using the 2008-2009 data, NOT the 2010 census data. Yet for other governmental decisions, such as reapportionment, the 2010 census data is used. I would like to personally thank Carrie Budd, Ken Owen and Charlette Green for their detailed information on Title 1 funds for our district. That information was delivered personally to our Senators and Congressmen.

Our nation is facing a $15 trillion debt. This makes the case for increased education that much more important. If we are going to leave our children with such a large burden, we need to ensure that we have an educated, skilled workforce who can attain increased prosperity and begin to pay off this debt.

Thank you again for the opportunity to attend this conference and to petition Congress on behalf of the 38,000 students in the CCSD. One final thought on this business of teaching and learning:

**You are not in the business of education if you don't have hope!**

B-3. **Reapportionment**

Kim Cochran thanked everyone who had taken the time to be a part of the discussion regarding reapportionment, from people completing surveys and writing letters or calling to the Blue Ribbon Commission and the legislators for taking the input.

Janet Read asked if anyone knew if the new maps were available.

Mike Chapman stated that he has placed a call to the Office of Reapportionment this week, but had not yet received a return call.

Tom Roach stated that, at the Board Chair’s request, he had sent an e-mail to the Office of Reapportionment, but had not yet received a reply.

B-4. **School Board Training**

Tom Roach, School Board Members and the Superintendent scheduled Saturday, March 24, 2012 for a three-hour full Board and Superintendent training.

Tom Roach stated that he will follow-up with School Board Members regarding opportunities for meeting the remaining training requirements.

(Approved)

Motion was made by Robert Wofford, seconded by Mike Chapman, and carried to Approve Superintendent’s Recommendation for Temporary Construction Easement and Granting of Drainage Easement at Hasty ES, (7-0 vote).

Robert Wofford thanked the Superintendent, Russ Sims and Mitch Hamilton for the detailed information provided with the agenda item and for working cooperatively with other groups.

F-6. Board Consideration of Proposed Contracts for Construction of New Middle School “E” (Teasley MS Replacement)

(Approved)

Motion was made by Mike Chapman, seconded by Michael Geist, and carried to Approve Choate Construction as General Contractor for Construction of New Middle School “E” (Teasley MS Replacement), (7-0 vote).

Dr. Petruzielo presented staff analysis of the seven proposals that were received.

Rob Usher and Michael Geist ask for additional information regarding the proposals and the process. Dr. Petruzielo and Phil Parrott provided additional information in this regard.

Janet Read and Kim Cochran thanked the Superintendent, Russ Sims, Phil Parrott and staff for their hard work and for being available to answer questions when they are presented.

*(Approved)*

Motion was made by Kim Cochran, seconded by Mike Chapman, and carried to Approve Naming New Elementary School “H” on Hunt Road, *(7-0 vote)*.

The School Board approved the name Clark Creek Elementary School, the mascot of “RedHawks” and the school colors red and gold.

Christine Hunt and Peggy Cloer requested that the new school on Hunt Road be named for Jasper Lafayette Hunt due to his and his families contributions to the community.

Dr. Brian Hightower provided a brief history of the property where the new school is located, a summary of the work of the Naming Committee, and a review of Board Policy FDC: Naming New Facilities. He noted that the recommendation, Clark Creek, is a significant geographic marker and is within the policy requirements. He also indicated that he and staff had spoken to the Hunt family several times to determine a suitable memorial to the Hunt family for placement at the school campus.

Rob Usher, Kim Cochran, Janet Read and Mike Chapman stated that they supported the reasons for naming the new school Clark Creek ES, and that they would also like to see continued discussions with the Hunt family to find a suitable memorial option.

The Superintendent indicated that he and staff would engage in additional discussions with the Hunt family.
*I-3. Board Consideration of Superintendent’s Recommendation to Approve Special Lease Agreements

(Approved)

ADJOURNMENT

Motion was made by Rebecca Hannigan, seconded by Mike Chapman and carried, to adjourn at 8:20 p.m. (7-0 vote).

School Board Chair     Secretary
The Cherokee County Board of Education called its meeting to order at 7:00 p.m. on Wednesday, March 14, 2012 in the Historic Canton High School/School Board Auditorium, 111 Academy Street, Canton, Georgia. Present were: Chairman Mike Chapman; Vice-Chair Janet Read; Members, Kim Cochran, Michael Geist, Robert Rechsteiner, Rob Usher and Robert Wofford; Superintendent Dr. Frank R. Petruzielo; and Board Attorney Tom Roach. Student Advisor to the School Board Rebecca Hannigan was not in attendance.

Call to Order

The call to order by Mike Chapman was followed by the Pledge of Allegiance to the Flag of the United States of America, led by Janet Read.

Adopt Agenda

On a motion by Janet Read, seconded by Robert Rechsteiner, the Board unanimously adopted the Superintendent’s recommended agenda (7-0 vote).

Minutes for Approval

On a motion by Kim Cochran, seconded by Janet Read, the Board unanimously approved the minutes, as amended, from the February 9, 2012 School Board Meeting, (7-0 vote).

Consent Agenda

Following identification of those agenda items, Board Members and members of the public indicated they would like considered separately, a motion was made by Robert Wofford, seconded by Robert Rechsteiner and carried, to approve the Consent Agenda for the remaining items - identified by asterisks (7-0 vote).

Dr. Petruzielo acknowledged the retirement of Dr. Bob Eddy, Creekview HS Principal, and recognized the following newly-appointed (July 2012) administrators: Pamela Spencer – Principal, Avery ES; Joey Moss – Principal, Boston ES; Cindy Cooper – Principal, Dean Rusk MS; Teresa Henry - Coordinator of Federal Programs; and Karen Lay - Certification Manager (March 19, 2012). Dr. Petruzielo also recognized newly-
reassigned (July 2012) Principals Dr. Adrian Thomason – Creekview HS and Les Conley – Oak Grove ES.

Kim Cochran recognized and congratulated Dr. Bob Eddy on his retirement. She also recognized several teachers and Assistant Principal Charles Beverly from Creekview HS, who are retiring this year.

Janet Read thanked the Superintendent and staff and acknowledged the Superintendent’s Leadership Academy programs for providing professional development and support for teachers, assistant principals and principals.

Public Participation:

Michelle Dodge, President, Cherokee Citizens for the Kids (CCFTK) – Thanked School Board Members for their service. She stated that CCFTK supports the current School Board Members and the current structure of the School Board. She called on School Board Members to ask politicians to stand down and allow the School Board to do the job they were elected to do.

B-1.  Board Approval of Naming of Delegate for 2012 Georgia School Boards Association (GSBA) Delegate Assembly

Motion was made by Mike Chapman, seconded by Janet Read, and carried to Approve Robert Rechsteiner as Delegate for 2012 Georgia School Boards Association (GSBA) Delegate Assembly, (7-0 vote).

B-2.  Furlough Days

Janet Read thanked employees for their service and for going the extra mile. She apologized for the necessity of furlough days due to budget shortfalls.

B-3.  Re-apportionment

Janet Read asked about interest in re-voting on the School Board Member re-apportionment map previously approved on a 5-2 vote and presented by CCSD to the Legislative Delegation. She stated that it had only, as recently as two weeks ago, come to light that the Delegation would only consider the CCSD map if it had been approved unanimously by the School Board. She further indicated that, in light of the School Board’s unanimous support of the 2012 Legislative Program, which indicated it supports no change to the current governance model, that vote should have been an adequate reflection of the School Board’s support. She then asked if any School Board Member would be interested in changing his/her vote on the CCSD map…to make is unanimous.

Russ Sims, Assistant Superintendent for Support Services and Facilities/Construction Management, provided maps (CCSD’s and both maps developed by the Legislative Delegation), which overlaid re-apportionment maps with markers indicating each School Board Member’s residence location within the post.

Janet Read thanked the Superintendent and staff for providing maps with locations of School Board Member residences.

Mr. Usher stated that he did not want to change his vote.
Michael Geist stated that he is not interested in re-visiting the vote on the map. He asked if there was a legal problem with re-visiting an issue on which an official vote had already been taken.

The School Board Attorney stated that the only problem would be in taking action on a previous vote in private, and that there was not a legal problem with re-visiting a past vote in an open meeting.

Rob Usher stated that he had had difficulty obtaining a copy of the map.

Dr. Petruzielo stated that the School Board Attorney and School Board Chairman had both made multiple attempts to obtain copies of the map and had received no response from the State Re-apportionment Office until a few days ago. He indicated that the media had provided CCSD with a copy of the map when they requested statements regarding the School Board’s position in that regard. He also reiterated that CCSD had drawn preliminary maps of the legislatively-proposed maps based on census block data reflected in the House bills.

Kim Cochran stated that she wanted to see at least one School Board Member elected countywide. She stated that, when voting originally on the CCSD map, she was leaning with the majority of the Board. However, she stated that, if voting now, she would have liked to have seen something different originally. She further stated that, at the time they voted, she saw merit in both types of elected Board members - countywide and post only - for all the reasons they talked about at the time.

Robert Wofford stated that he believes the map approved by the majority of the School Board is the best option. He stated that he does not like the idea of individuals being able to lobby School Board Members based on a specific school or individual community issue. He stated that School Board Members should be interested in making the best policy decisions for all CCSD students, not just those in their individual posts. He further indicated that he does not necessarily anticipate a problem in this regard with current School Board Members, but said he could see many issues that could arise under future Board leadership.

Mike Chapman stated that the map presented by CCSD follows all of the basic principles of reapportionment, but that the maps presented by the Delegation reflect obvious gerrymandering for political purposes.

Michael Geist stated that the main reason he does not want to change his vote is that the survey conducted by CCSD, in his opinion, did not contain a good cross-section of the community. He stated that 80% of respondents
were employees and, while he values their input, he would like to see broader input.
Mike Chapman stated that he values the input of employees and parents. He further reminded everyone that, in many cases, employees are also parents, grandparents and voters. He further stated that there were many ways to draw the maps; and the Delegation chose not to follow basic rules of re-districting when they did so. Finally, he stated that it is likely that voters will make their opinions and wishes known in this regard when they have the opportunity to vote in the future.

B-4. Correspondence

Mike Chapman stated that, in light of recent correspondence from Mr. Usher questioning his correspondence to the Governor and communication with SACS CASI, he was requesting official support of the School Board for recent correspondence/communication he sent in this regard as School Board Chair. Mr. Chapman stated the letters to Governor Deal and communication with SACS CASI President, Dr. Mark Elgart, were sent in support of the School Board’s unanimous approval of the 2012 Legislative Program and the School Board’s top legislative priority of not changing the current governance model. He made a motion to amend the meeting agenda, then requested a vote by the School Board to ratify the recent correspondence/communication; or, if the Board so chooses, a vote to sanction him for this correspondence/communication.

Rob Usher stated that he supports Mr. Chapman’s right to speak personally, but he does not support the use of School District letterhead for this purpose.

Mike Chapman stated that any School Board Member has the right to send out correspondence on School District letterhead.

Kim Cochran stated that she is not interested in sanctioning Mr. Chapman; but noted that, when he sends correspondence as Board Chair, it holds more authority than others’ correspondence.

Michael Geist suggested that there should be clear guidelines or a policy regarding the use of letterhead. He also asked if it was allowable to modify the agenda in open meeting.

The School Board Attorney stated that this was a housekeeping issue, not an item/issue that would necessitate additional public input; so, the matter could be added in open meeting.

Kim Cochran asked what comments and letters they were voting on.
For clarification, the School Board Attorney stated that the first motion is to amend the meeting agenda, which would likely be followed by a motion to take a vote on the School Board’s support of recent correspondence/communication by/from the School Board Chair, Superintendent and staff regarding School Board governance and reapportionment.

Dr. Petruzielo stated that members of the legislature annually propose over 100 education-related bills, many of which could be detrimental to the school system. He stated that it would be impossible for the Superintendent or School Board Chair to consider and approach the impact of each of those bills differently, based on the number of School Board Members voting in support of or against a particular issue. They must act based on the final vote...on what the majority of School Board Members supported in that vote. He stated that both he and Mr. Chapman had corresponded based on what the Board had approved, and indicated that Mr. Chapman simply would like confirmation that Board Members understand and accept the basis and purpose for all of this recent correspondence.

Mr. Geist, Mr. Usher and Mrs. Cochran reiterated that they respect Mr. Chapman’s right to correspond as a citizen and indicated that they did not believe the official School District letterhead should be used for that purpose.

Motion was made by Mike Chapman, seconded by Janet Read, and carried, to Amend the School Board Meeting Agenda, (4-3 vote; Cochran, Geist and Usher dissented).

Robert Rechsteiner stated that during his previous term as School Board Chair, it was his understanding that, since he was elected Chair by his peers, he was allowed and encouraged to speak on behalf of the Board as long his comments followed what had been approved by the Board as a whole. He stated that this would also include corresponding using School District letterhead.

Mr. Geist stated that he does not have a problem with urging specific items, but that he has concerns regarding the interpretation of what action is being requested, in this case, requesting that Governor Deal veto HB 1223. He indicated that action requested by Mr. Chapman is setting a bad precedent.

The School Board Attorney stated that individuals acting on behalf of a Board do sometimes request ratification of their actions after the fact. He cited an example in this regard from the Cherokee County Water and
Sewerage Authority Board. He indicated, however, that the practice should not become commonplace regarding School Board policy issues.

Mike Chapman stated that he understood this was an unusual occurrence for the School Board; but he felt that this was an unusual situation that has required, and continues to require, unusual and timely action.

Tom Roach again provided clarification that the pending motion was to ratify letters/communication sent by Mr. Chapman and recent correspondence in this regard sent by/from or on behalf of the Superintendent.

A vote was not taken on a motion by Kim Cochran to table the discussion.

Mr. Geist asked if all of the items were on letterhead.

Barbara Jacoby, Director of Public Information, Communication and Partnerships, indicated that the letters sent by Mr. Chapman were on School District letterhead and the Superintendent’s correspondence was e-mail.

Janet Read stated that the School Board Chair is elected by his/her peers and has the authority to communicate on behalf of the Board. She stated that it was very clear in this case that Mr. Chapman was following the Board’s decision and unanimous support of the 2012 Legislative Program, as well as the Board’s 5-2 vote on the CCSD plan recommended for reapportionment.

Robert Wofford asked if there needed to be specific guidelines regarding the use of letterhead.

Mike Chapman stated that there would likely be a need to send future correspondence.

Mr. Geist stated that he did not understand why a vote had to be taken. He indicated that, if he agrees with 90% of what is being proposed, he will vote for it, not pick a few words out of if he does not agree.

Dr. Petruzielo stated that there is no way to treat issues and policies differently based on how many Board members support the majority vote. He stated that the only way policy can be implemented effectively and fairly in the same manner, and with the same vigor, is to do so based on what the majority of the Board votes for and believes is right, and that anything other than that is inappropriate and problematic. He indicated that, whenever he has made recommendations to School Boards in the past, a majority vote has been considered the will of the entire Board; so,
implementation must proceed based on that policy decision. He stated that School Board members elected by posts will not change current Board policy - - including policies which prohibit individual School Board members from micromanaging or otherwise getting involved in the day-to-day operation of the School District - - which is the responsibility of the Superintendent. However, he also acknowledged that single-member districts would likely lead to increased community pressure on individual School Board members to try to address needs, priorities and problems in their post, rather than Districtwide.

Janet Read asked that the School Board Attorney provide clarification at a future meeting on the policy for School Board members to add an item to the meeting agenda.

Motion was made by Mike Chapman, seconded by Janet Read, and carried, to Ratify Recent Correspondence by the School Board Chair and Superintendent as Related to the School Board Governance Model and School Board Member Post Re-apportionment, (4-3 vote; Cochran, Geist and Usher dissented).

Mike Chapman thanked School Board members for everyone’s candid discussion on these matters.

B-5. Leave Policy for Employees Seeking State Office

Mike Chapman stated that he had recently become aware of other school districts granting personal leave for employees running for State offices.

Dr. Petruzielo stated that this is also not unusual in other States. He indicated there are policies in place elsewhere designed to eliminate obstacles for employees seeking to run for State office and agreed to bring back information in this regard to a future School Board/Superintendent Strategic Work Session.

Janet Read stated that qualifying for elected officials is the end of May; so there may still be time to get policies in place.
